

Measuring Up: Assessment Issues for Teachers, Counselors and Administrators

**Janet E. Wall, EdD and Garry R. Walz, PhD, NCC,
Editors**

Published by Pro-Ed, Inc.

**Stock Number 11920
790 Pages
ISBN 1-55620-099-9
Price \$61.00**

**Also included: An Anthology of
Assessment Resources CD – the
equivalent of 3000 pages of additional
information including white papers, policy
statements, ethics statements, standards,
and counterpoints! The documents are
searchable by keyword.**

This reference provides 53 chapters with clear, contemporary, and user-friendly commentary on many assessment issues facing educators. The handy resource can help counselors, teachers, and administrators more confidently address the many issues that arise in discussions with other school and district professionals, school board members, and parents. The book is being used as the primary textbook in counseling and education assessment courses and as a supplement in others. The chapters are written in user-friendly language by nationally acclaimed authors offering a variety of perspectives. There is no book like it! This resource is a treasure trove of important and relevant information.

- Part I — Basic Testing Concepts
- Part II — Assessment Issues for Special Populations and Audiences
- Part III — Special Topics and Issues in Assessment
- Part IV — Looking Toward the Future of Assessment
- Part V — Assessment Resources
